TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Bennington in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Bennington on Tuesday, the 6th of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To see what sum of money the Town will raise and appropriate for highways and bridges.
3. To see if the Town will vote to accept State Aid for Class V roads and raise and appropriate money for the same. The Town must raise \$301.54 and the State will contribute \$2,010.25.
4. To see if the Town will vote to authorize the Selectmen to borrow such sums of money as may be necessary in anticipation of taxes.
5. To see what action the Town will take in regard to real estate purchased by the Town for non-payment of taxes.
6. To see if the Town will vote to accept legacies and gifts to the Town in trust or otherwise by any individual or individuals, or take any other action relating thereto.
7. To see if the Town will vote to transfer any balance in the Fire Department appropriation to a Capital Reserve Fund to be used toward the building of a new fire station.
8. To see if the Town will raise and appropriate the sum of \$435.25 for the purchase of an additional Serviv Air Pack with case and extra tank for the Fire Department. (Proposed by Fire Department/Selectmen/Budget Committee.)
9. To see if the Town will raise and appropriate the sum of \$300.00 for a donation to the Hillsboro Rescue Squad in appreciation of their service to the community during the past year. (Proposed by Selectmen/Budget Committee.)
10. To see if the Town will raise and appropriate the sum of \$255.00 for the support of the Monadnock Family and Mental Health Service Clinic in Keene. (Proposed by Selectmen/Budget Committee.)
11. To see if the Town will raise and appropriate the sum of

\$648.00 to support the services of the Monadnock Community Visiting Nurses Association, Inc. (Proposed by Selectmen/Budget Committee.)

12. To see if the Town will raise and appropriate the sum of \$600.00 for the construction of a new raft for Lake Whittemore. (Proposed by Recreation Committee/Selectmen/Budget Committee.)

13. To see if the Town will vote to authorize the development and use as a recreation area under the supervision of the Recreation Committee that land formerly used as a Town Dump (near the Acre) for the next three (3) years without expense to the Town, or take any other action relating thereto. (Proposed by Recreation Committee.)

14. To see if the Town will raise and appropriate the sum of \$1,411.00 to paint one side of the Town Hall, beach bathhouse, new raft and the inside of the Firemen's Hall in the Town Hall. (Proposed by Selectmen/Budget Committee.)

15. To see if the Town will vote to raise and appropriate the sum of \$440.64 as the Town's share for the studies and operation of the Southwestern New Hampshire Regional Planning Commission. These funds will be used for financing the staff, operation expenses, planning studies, technical assistance and other programs of the Commission. These funds may be used in conjunction with other State and Federal Funds available for planning purposes. (Proposed by the Selectmen.)

16. To see if the Town will vote to raise and appropriate the sum of \$1,310.00 from the Town's General Revenue Sharing Fund, as the town's share of the Meals-on-Wheels program, sponsored by the Community Action Committee for Hillsborough County. This program will provide two home delivered meals, five days a week, to homebound elderly and those non-elderly recuperating from illnesses. Additionally, social contact, referral and emergency transportation will be provided for those participating in the program. This request for financial support is based on a formula that takes into consideration the elderly population of the Town and the Town's share of Revenue Sharing Funds. (Proposed by request.)

17. To see if the Town will raise and appropriate the sum of \$6,000.00 in order to extend the town water main an additional approximately 500 feet on the Greenfield Road. Also to authorize the Selectmen to issue serial notes to fund this project. (Proposed by Water Commissioners/Selectmen.)

18. To see if the Town will vote to adopt an ordinance relating to mobile home parks, or take any other action relating thereto. (Proposed by Planning Board/Selectmen.)

19. To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations in the amount indicated; and further to authorize the Selectmen to make pro-rata reduction in the amounts if estimated entitlements are reduced or take any other action hereon:

<i>Appropriation</i>	<i>Estimated Amount</i>
Police Department	\$ 3,500
Fire Department	2,500
Landfill Facility	3,750
Street Lighting	2,600
Town Hall Operating Expenses	1,800
	<hr/>
	\$14,150

(Proposed by Selectmen.)

20. To see what sum of money the Town will raise and appropriate for Statutory requirements and to carry the articles and appropriations of the School District into effect.

To transact any other business that may legally come before this meeting.

Given under our hands and seal this eighth day of February, in the year of our Lord nineteen hundred and seventy-three.

Erving A. LeCain
Roger Magoon
Theodore Aucella

Selectmen of Bennington

A true copy of Warrant — ATTEST

Erving A. LeCain
Roger Magoon
Theodore Aucella

Selectmen of Bennington

We would also call to the attention of the voters that in accordance with the vote of a prior Town Meeting the articles of the Warrant will be taken up for action at 1:30 P.M. the afternoon of March 6, 1973.

Postage and miscellaneous	25.00
Balance on hand Dec. 31, 1972	3.10

Mary Ellen Lindsay

The change in the library hours was made to facilitate the utilization of the G.E.P. Dodge Library as a resource center for Grades 1-6 of Pierce School. Grades 1-3 are making weekly visits to the library to obtain books and enjoy a story hour. Grades 4, 5, & 6 are using the library as a source of information. The library trustees hope that the hours on Fridays from 3:00 — 5:00 P.M., and Saturdays from 1:00 — 3:00 P.M. will give adult patrons and Junior and Senior High School students adequate time to use the library facilities.

The library trustees regret that Ann Lindsay Knight felt it necessary to resign from the board because of schedule conflicts. They wish to express their appreciation to Mrs. Knight for her years of faithful and dedicated service. They sincerely appreciate that she is continuing to act as a Friend of the Library. Mr. Walter Levesque was appointed to complete the term of Mrs. Knight.

The library trustees wish to express their gratitude to the town's people who have volunteered their services for the improvement of the G.E.P. Dodge Library and grounds. They are especially grateful to: Mr. Ernest Hutchinson for the beautiful bookcase; to an anonymous citizen for a generous donation to the landscaping fund; and to Mr. Harry Muhleman and a group of local boys for landscaping the grounds.

The local supply of books has been efficiently supplemented by ordering special titles from the State Library upon request. The G.E.P. Dodge Library has taken advantage of the Bookmobile services and circulated many books which would otherwise have been unavailable.

The Librarian held book sales to dispose of books discarded in the annual book weeding. Money received from these sales was spent to replace worn out books and to purchase new books. The remaining books were given to the Hillsboro House so the people at the home might have a new supply of books to read.

In 1972 the library sponsored its annual Prize Speaking Contest. This was done to encourage the children to express themselves orally in front of a group. The library trustees will continue these annual contests as long as the school wishes to participate in such activities.

During the summer of 1972 the windows of the library were fitted with aluminum combination windows. The trustees are happy to announce that a noticeable decrease in the oil bill has been noted in spite of the inclement weather of November and December 1972.

The library trustees are truly interested in making the G.E.P. Dodge Library a cultural resource center for the Bennington

Community. To do this we need the cooperation of all the Bennington citizens. Please give us your suggestions and please continue to use your library.

BENNINGTON RECREATION COMMITTEE

After reading our report, we hope you are as pleased as we are of our accomplishments during 1972.

In January we were still trying to win our battle with the weather and complete our skating rink. Neither side won, but the kids had a great time!

February was a month for working with our very successful Crafts-Reation program for Senior citizens, which is held the first Tuesday of each month at 9:30 at the VFW hall. All our senior citizens are invited to attend.

In March we held a dance for our pre-teens. Even though the boys were out numbered, the girls had a fantastic time.

In April we held a movie at the Town Hall, and served popcorn and soda to about thirty children.

By Memorial Day we turned our thoughts to the outdoors and raffled off a barbecue grill which was won by Frank and Jo Carrara. In May we were also working on Old Home Day and interviewing our applicants for our summer program.

In June we began an extensive clean-up at the town beach, school grounds, town common, post office, library and ballpark.

We purchased a new picnic table for the beach in July, and also continued work on our summer program.

August 19th was our Old Home Day celebration. We had a food concession, food sale, white elephant and fancy work table, game booths, parade, and raffled off a \$50.00 U.S. Savings Bond which was won by Mrs. Oscar Clark of Bennington. Our thanks to the following groups for their participation and cooperation: Bennington VFW auxiliary (donation and popcorn booth), Catholic Church (donation and pony rides), Congregational Church (buffet supper), Bennington Firemen's Auxiliary (donation and rummage sale), Bennington VFW (color guard for parade), Bennington Firemen (donation and rides for the children). The following people sent cash donations: Library, Mr. Verney, Mr. Lawrence Markey, and Mr. and Mrs. Carlton Pope. Many townspeople contributed to our success by sending donations of food, fancy work and white elephant items. Our deepest thanks to all of you. August was also the month for nearly 50 of our youngsters to be entertained at the ballpark by "The Little Red Wagon", a Theatre Resources for Youth group from U.N.H. Their program consisted of songs, puppets, stories and improvisations.

In September we held our annual public recreation meeting.

Much to our disappointment, no townspeople came.

In October we elected new officers and held a costume party and two hayrides, which were very successful.

November was our month for beano and our skating rink. We purchased lumber for our skating rink and are still working on it in spite of our weather and the vandalism.

A community Christmas party, Christmas caroling, and a snow mobile movie were on the agenda for December. Santa was at our Christmas party along with over 100 children and parents. We served refreshments, sang and had a great time.

We feel we had a great year, and plans are already in the making for lots of activities for '73. Again, we would like to ask for your support and cooperation for the only way the recreation committee can succeed, is if we all work together.

I would like to thank the following people for a year of dedication and hard work: Penny Blanchard, Frank Carrara, Jean Cernota, Dick Delay, Bonnie McDairtt, Joan Schnare and Mary Stone.

Nancy Cuddemi
President

Anyone interested in filling a vacancy on the committee, please call 588-2507.

To all Bennington Citizens:

The year of 1972 (as was 1971) was a year of frustration for us over the problem of litter and vandalism we have in Bennington. The recreation committee spent hours working with the Selectmen and police department trying to come up with a solution to this problem. Now we feel we must turn to you for help. We spent hours at the beach last summer, painting, repairing and cleaning, only to have the beach littered day after day, benches run over by trucks, vandalism done to the raft and lifeguard station. The ballpark was so full of glass that we spent one whole day cleaning up there. For most of the summer, we were unable to use the school grounds, because of the broken glass and cans which had been blown apart. Our skating

rink has been demolished. Even the basketball net we purchased had damage done to it. We are asking cooperation from everyone so that we will be able to make use of all our facilities this summer. Thank you.

Nancy Cuddemi
for the
Bennington Recreation Com.

ROAD AGENT'S REPORT

I was appointed to the office of Road Agent on June 15, 1972, following the retirement of Mr. Sidney Huntington.

The first project following my appointment was a TRA project, to wit, the surfacing of the North Bennington Road as far as the Bennington — Antrim Sanitary Landfill.

The Summer and Fall also consisted of a great deal of patching on various roads, cutting brush along the sides of the roads, and general **maintenance**.

I appreciate the cooperation of the townspeople and thank them for bringing to my attention various things they thought could be done to improve our highways. I tried to do as many of these things as possible.

Again, I wish to thank the people of Bennington for their cooperation and understanding.

Respectfully,
Charles Cook Jr., Road Agent

NEW BENNINGTON FIRE DEPARTMENT BUILDING

The Bennington Selectmen know that they speak for the whole community when they take this opportunity to express their admiration and appreciation for the Bennington Fire Department and the new Fire Department building project. Some time back the Fire Department decided that they would like to have a new and modern Fire Department building and they also decided that instead of asking the town to provide this building, they would undertake the total project — both raising the money and the building — themselves. They have done a remarkable job of raising funds with many activities throughout the year and not the least of which has been the contribution to the Building Fund of their wages as firemen for quite a few years.

In order to completely close in the building before the winter of 1972-73, they asked the town for some modest assistance and the town was pleased to provide them with \$5,000. However, the firemen insisted that this be a loan and that they would repay the town over the next five years.

We salute you and thank you.

Bennington Board of Selectmen

FIRE WARDS REPORT

In case of any trouble call:

Village Spa 588-9652 between 7 A.M. and 8 P.M.

Charles Zabriskie 588-6328

Donald Taylor 588-2394

Donald Clough 588-6356

To report a fire through Mutual Aid in Keene:

(1) Dial your access number then 352-1100

(2) When Dispatch Center answers, give your name, location of the fire and the description.

Last year we answered 13 Calls. They were: 1 House Fire, 3 Car Accidents, 2 Dump Fires, 1 Grass Fire, 1 False Alarm, 5 Mutual Aid Calls — 2 to Greenfield, 2 to Antrim, and 1 to Frankestown. Antrim and Greenfield responded to the house fire that we had.

We held some Pump practices and ladder practice. We attended a Pre Plan practice at the grain mill in Greenfield. Last year the members donated their pays again to the Building Fund which was \$595.00. We raised \$745.45 at our two dances. The 12 coats were purchased that was approved at last year's town meeting. This is the year for our Auction so save all of your things for us. The date has not been set yet.

As you can see by the paper this winter there are a lot of fires around. Take a few minutes and check around your house. Do not pile things around your furnace and do not overload your circuits with electric heaters, and if you have oil stoves keep them clean.

REPORT ON NEW FIRE STATION

In September 1967 the members decided that we needed a new Fire Station. We have raised the money for it through Dances, Auctions, Raffles, Barbecues, a few Donations and every member has donated their pay since 1967. It was decided to do it this way so the taxes in Bennington would not have to. The Firemen's Auxiliary is raising the money for equipment in the new kitchen and they have done a good job for the few members that they have.

On July 17 the first block was laid. We hired the Mason work done and every thing else has been done by the members and volunteers. As of Jan. 1st we have \$19,000.00 invested into it. We plan to do as much as we can down stairs this winter and next spring and hope to move into it by late summer then we will work up stairs after.

A lot of time and hard work has been put into this and thanks to everyone that has helped us in this project. We are proud of it and hope that the people of Bennington will be proud of it also.

Respectfully submitted,

Charles Zabriskie, Chief
Donald Taylor, 1st. Asst.
Donald Clough, 2nd. Asst.

REPORT OF THE PLANNING BOARD AND SELECTMEN

On The Status of the Joint

Antrim — Bennington — Monadnock Paper Mills Sewerage Project

At the time we reported back to the Town a year ago, we expressed fears that new Federal legislation and continually escalating construction costs raised a question as to whether this joint project would any longer be financially practical or feasible. Those fears have now been confirmed and the joint project as originally conceived has now been abandoned.

A joint meeting of the Selectmen and Planning groups of both towns, together with representatives of Monadnock Paper Mills, the engineering firm of Anderson-Nichols & Co. and counsel for both towns, was held Wednesday, January 17th, and it was the unanimous agreement that this project must be set aside as no longer practical or financially possible. When the project was first

conceived in 1966 and 1967, it appeared to have substantial benefits for all parties concerned. The Town of Bennington would have a sewage collection system basic to its future growth, a modern treatment plant and an arrangement whereby all operating costs of the plant related to the Town's effluent would be paid for by Monadnock Paper Mills. The Town of Antrim would receive substantial benefit by having the opportunity to tie its needed collection system into a modern treatment plant at a very small cost. Monadnock Paper Mills would benefit by the substantial Federal and State Aid available for the construction of treatment plants of this type. In the years since that time the continuing increase in construction costs, the unavailability of aid from both the State and different branches of the Federal government at the same time, and finally the complete change in approach regarding Federal Aid on such joint projects included in the 1972 Federal Water Pollution Act doomed the project.

The three participants in this joint project have decided that they will each have to seek their own solution and for the Town of Bennington this will mean a complete restudy of the whole problem. The Planning Board and the Selectmen will take up this problem and try to examine all possible alternate solutions before making any new recommendations to the town.

The engineering work on this project was financed by an interest-free loan from HUD. This loan is not repayable unless the project is undertaken, at which time the engineering costs become part of the project costs — subject to 95% State and Federal Aid. If only a portion of the project is undertaken, the repayment obligations are adjusted to whatever proportion of the engineering work was used and again are a part of the total project and subject to State and Federal Aid. Whether part of this engineering work may be used at a later date is not presently known.

Where each of the participants in this joint project will now have to undertake its own solution and where Monadnock Paper Mills, Inc. anticipates that they will be required to undertake construction of their own project quite promptly, a substantial reduction in the priority of the State's "anti-pollution" order as it affects the Town is anticipated.

A great many people have devoted a lot of time and hard work to the project and it is disappointing that it no longer seems feasible. However, we can always trust and assume that all is for the best and perhaps our future will benefit by much that has been done on this project.

BENNINGTON — ANTRIM JOINT LANDFILL FACILITY

The Selectmen have worked closely with the Antrim Selectmen during the year while establishing operating methods and hours suitable to the needs of both towns.

Initially we tried the experiment of providing keys for the use of the dump those businesses, rubbish collectors, schools, etc., who made the necessary application. However, it fairly **shortly developed** that this was not a suitable arrangement and a revision in the regulations was made providing that dumping at the facility could only be done during the hours under supervision. Initially these hours were Tuesday and Thursday afternoons plus all day Saturday and Sunday morning. During the summer it became evident that with the additional summer residents in both towns it was wise and necessary to keep the facility open all day Sunday for the summer months.

Late in the year the businessmen of the area, particularly those in Antrim, requested that the facility be available every day in order to meet their needs and, after further review with the Antrim Selectmen, it was decided to try an experiment for the first three months of 1973. During that period of time the facility will be open every afternoon, all day Saturday and Sunday afternoon with the intention of reviewing the results and the operating costs at the end of these three months.

The operating costs for the year (three-quarters of which are paid by Antrim) will be within budget and, on the whole, the operation has worked out well.

The towns of Francestown and Hancock have both shown interest in possibly joining this joint facility and the Selectmen have discussed the matter with study committees from each town although no concrete negotiations have taken place.

Bennington Board of Selectmen

REPORT AND EXPLANATION REGARDING THE INCREASED ALLOCATION TO BENNINGTON OF CONVAL BUDGET

The total budget for the Conval School District is allocated to the towns within the district on the basis of pupil count and Equalized Valuation. The major factor in this allocation is pupil count and quite recently it was discovered that there had been substantial errors in developing the pupil count by towns.

When this error was discovered, the School Administration made a careful review of all of their pupil data and our local School Committeeman, Richard Delay, together with the Tax Collector, Edward French, have carefully checked the revised pupil lists of the last two years. Because a great number of North Bennington residents use Antrim mailing addresses, the major error insofar as Bennington was concerned was between Bennington and Antrim and we turned out to have a greater number of pupils than had been originally assessed.

The Conval Administration has revised the allocation of cost to each town for the school year 1972/73 and that revision has been approved by the State Tax Commission. For Bennington it results in an additional assessment of \$15,179.64. The Tax Commission has ruled that this deficiency must be made up immediately and, after consultation with the Budget Committee, the Selectmen have decided to make up this deficiency in the 1973 appropriation and tax rate. Revenue Sharing Funds from the Federal Government amounting to almost \$10,000 will go a long way towards offsetting this unexpected additional cost.

ANNUAL REPORT OF THE BENNINGTON PLANNING BOARD

Your Planning Board had a busy and active year and established a regular meeting schedule once a month. The wisdom of the town's adoption of the Sub-division Regulations recently has been demonstrated during the year as new sub-divisions have been established in Bennington. Practical protection and savings to the town in providing for orderly development has been demonstrated in a very practical way by the history of the sub-division in North Bennington established by Davis & Symonds. This major undertaking, which included the laying out and construction of roads which at some time in the future will become a town responsibility, illustrated this point. The construction of the roads within the sub-division was kept under close observation in order to be sure that the town's interests in the future were protected by the establishment of sound basic road structures.

Our experience in the past year has also convinced us of the wisdom and need for some sound arrangements related to trailers and the Board is recommending to the townspeople an ordinance regulating trailer parks and a Warrant item to this effect will be included in this year's Warrant. (The proposed ordinance is shown immediately following this report.)

The Planning Board participated in the review and decision made by the Selectmen of both Bennington and Antrim to abandon the joint municipal-industry waste treatment system and we understand that the Selectmen have included in this Town Report a full reporting of this decision. It was agreed that the Planning Board and Selectmen would work closely together during the coming year to study and analyze all possible alternative solutions to Bennington's river pollution problem and it is quite possible that the Board may ask other townspeople to assist in this project.

We hope that all citizens are aware of the questionnaire which has been distributed by the Planning Board which we feel to be of vital importance in establishing future planning policies and programs for the town which will reflect the needs and desires of its residents.

We would like to thank all those who have so generously donated of their time in working with us this past year.

Bennington Planning Board

BENNINGTON PLANNING BOARD
PROPOSED ORDINANCE
REGARDING MOBILE HOME PARKS

A. For the purpose of this ordinance the following definitions are adopted:

1. *Mobile Home*: Any vehicle used, or so originally constructed, as to permit its being used as a conveyance upon the public highway and duly licensable as such, and constructed in such a manner as will permit occupancy thereof as a dwelling or sleeping place for one or more persons, whether or not provided with a toilet and a bath tub or shower.

2. *Mobile Home Park*: A plot of ground upon which two or more mobile homes are parked and occupied for living purposes, regardless of whether or not a charge is made for such accommodations, except mobile homes temporarily located on a construction site by a contractor.

3. *Permit*: A written permit issued by the Board of Selectmen of the Town of Bennington permitting a mobile home park to operate under this ordinance and any rules or regulations promulgated hereunder.

4. *Owner*: The owner, his agent or servant, the person in charge, the person apparently in charge, the manager or the director of any mobile home park whether it be owned by an individual, corporation partnership or in any other manner.

B. Mobile Park Permits:

1. It shall be unlawful for any person or corporation to establish, maintain, operate or have charge of within the limits of Bennington any mobile home park, whether a charge is made or not, who does not possess a permit as set forth in this ordinance.

2. Application for such permit shall be made in writing to the Board of Selectmen. The applicant shall state:

a. The location of the proposed mobile home park and its legal description.

b. The number of mobile homes.

c. The water supply for such park.

d. The method of sewerage, waste and garbage disposal.

e. The lighting system for such park.

f. The name and address of all persons having a legal interest in said mobile home park.

3. A permit shall be issued by the Board of Selectmen to any applicant who has complied with the provisions set forth in this

ordinance provided that:

- a. All laws of the State Department of Health have been complied with.
- b. The sub-division regulations of the Town of Bennington have been complied with, where applicable.
- c. The applicable rules and regulations of the New Hampshire Water Supply and Pollution Control Commission have been complied with.
- d. The mobile home park is located in a well drained site, and in an area free from marshes, swamps, or other potential breeding places for insects or rodents.

C. All mobile home parks in existence upon the passage of this ordinance shall within sixty (60) days thereafter comply with the requirements of this ordinance; provided, however, that the Board of Selectmen, upon application of a mobile home park owner may waive such requirements that require prohibitive reconstruction costs if such waiver does not alter the necessary health and sanitation requirements.

D. Any extension of existing mobile home parks will be required to meet the same requirements as an original application for a mobile home park permit, except no application fee is required.

E. No mobile home park permit shall be transferrable and there shall be no refund of a permit if not used for a full year's period. Every person or corporation holding such a permit shall give notice in writing to the Board of Selectmen at least 15 (fifteen) days before any transfer of any nature of an interest in or control of a mobile home park. If upon such a transfer of any interest in or control of a mobile home park the Board of Selectmen is satisfied that the transferee is a proper person to hold a mobile home park permit, they may cause a renewal permit to be issued to said transferee upon payment of the sum of Twenty-five dollars (\$25.00).

F. The Board of Selectmen, the Health Officer and the Chief of Police and any other properly designated officials are hereby authorized and directed to make inspection of mobile home parks and mobile homes located therein in order that they may perform their duties of safeguarding the health and safety of occupants of mobile homes, mobile home parks, and the general public.

G. Each mobile home park owner shall maintain a register for the registration of all occupants and mobile homes, which register shall include the following information in addition to any other facts that

may be requested by the Board of Selectmen:

- (1) Name and address of each occupant of a mobile home
- (2) Mobile Home license number
- (3) Model and full name of trailer
- (4) Year manufactured
- (5) Serial number
- (6) Body length
- (7) Overall length
- (8) Weight
- (9) Automobile license number and make of automobile
- (10) Number or location of assigned site
- (11) Last location of mobile home
- (12) Date of arrival
- (13) Estimated length of stay
- (14) Date of departure

H. All permits shall expire on December 31st next following the date of issue. Any permit may be suspended for cause or upon recommendation of the Health Officer or Chief of Police following a hearing before the Board of Selectmen. The town shall charge the sum of Two Hundred Dollars (\$200.00) for the issuance of any original Mobile Home Park Permit and the sum of Twenty-five Dollars (\$25.00) for each renewal of said permit.

I. *Penalties:* Whoever violates the provisions of these ordinances shall be fined for each offense a sum not to exceed \$10.00. Each day that said violation continues shall be deemed to be a separate offense.

REPORT OF THE COMMITTEE AND THE SELECTMEN ON THE PROPERTY FORMERLY USED AS THE TOWN DUMP

The Committee and the Selectmen met and discussed in detail what their recommendations should be related to the old town dump. After review, it was the unanimous recommendation of the Committee and the Selectmen that the Town not sell the property and hold it for future possible town needs. There were various suggestions as to its possible future use including storage of town road equipment in the future or the possibility of developing a town recreational area. However, the Committee and the Selectmen made no specific recommendation at this time as to specific future use. It

was felt that if the townspeople wished to initiate a further project for this site, it might well be done by the appointment of a further committee at the 1973 Town Meeting.

Sidney Huntington
Donald Powers
Mary Stone
Committee
Board of Selectmen

REPORT OF THE COMMITTEE AND THE SELECTMEN RELATED TO THE USE OF TOWN EQUIPMENT

The Committee and Selectmen were asked to return to the March 1973 Town Meeting with recommendations.

In the matter of the use of town equipment for tarring of driveways and the occasional hauling of gravel, it was the unanimous recommendation of the group that where such services are now quite readily available commercially, the town should not be involved in such work. It was also unanimously agreed that if the Town Meeting felt otherwise, the committee would recommend a more realistic cost structure for doing such work.

The Committee and the Selectmen then reviewed completely the problems and questions which had arisen related to snow removal in the center of town. The group recognized that there was probably no simple solution but, in view of the needs for providing adequate service both to the commercial area in town, the church parking areas and in view of the potential danger to school children on the main street during the winter, the group recommended that the town expand its snow removal coverage and keep open as completely as possible not only the street, including the Square, but the sidewalk areas of the main street in town.

*A SALUTE TO RUTH A. CODY
A PROCLAMATION
BY THE BENNINGTON BOARD OF SELECTMEN*

June 1, 1972

WHEREAS, RUTH A. CODY has given thirty-seven years of faithful service to our town as a teacher and principal of the Pierce School and is on Friday, June 9th, 1972 retiring, now therefore be it

RESOLVED, that the Bennington Board of Selectmen, by the powers vested in them, do hereby proclaim Friday, June 9th in the year of our Lord one thousand nine hundred seventy-two as

RUTH A. CODY DAY

in recognition of her thirty-seven years of faithful service to the town of Bennington.

Erving A. LeCain
